Right view

A blue, rectangular, rounded device, likely a portable electronic component. It features the brand name 'NEURONAUTE' in white capital letters, accompanied by a small star-like icon above the 'A'. On the left side, the text 'Neuronaute® | IceCap Extender' is printed vertically. A circular button with a white icon resembling a signal or a stylized 'i' is located on the left. On the right side, there is a power button icon (a circle with a vertical line) and a small indicator light or sensor. The device has a smooth, matte finish.

[illegible]
