FCC CAUTION

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IMPORTANT NOTE

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver.
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help.

FCC RADIATION EXPOSURE STATEMENT

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

Hereby, TECNO MOBILE LIMITED.
Declares that this product is in compliance with the essential requirements and other relevant provisions of directive 2014/53/EU

CE CAUTION

Use carefully with the earphone maybe excessive sound pressure from earphones and headphones can cause hearing loss.
Danger of explosion if battery is replaced by an incorrect type, dispose of used batteries according to the instructions.
Danger of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion.
- leaving a battery in an extremely high temperature surrounding environment that can result in an explosion or the leakage of flammable liquid or gas.
- a battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.
Charge the earbuds only by connecting to a USB interface of version USB 2.0.
4.8V Temperature: 0℃ ~40℃(Earbuds)/0~45℃(with adapter).
5.To prevent possible hearing damage, do not listen at high volume levels for long periods.
6.USB cable is sealed.

EU DECLARATION OF CONFORMITY

IN accordance with

Annex VI of Directive 2014/53/EU of the European Parliament and of the Council
For the following Radio equipment:
Model: SC01
1. Unique Identifier: Earbuds
Trade name or Brand: TECNO
Software / Hardware number: V1.0/v1
2. Manufacturer: TECNO MOBILE LIMITED or his authorized representative
Manufacturer: TECNO MOBILE LIMITED
Address: FLAT 3F &5F BLOCK D MAN LOK INDUSTRIAL CENTRE 35-55 SHAN MEI STREET FOTAN NT
3. The product described above is in conformity with the relevant Union harmonisation legislation Directive 2014/53/EU (RED)
4. Object of the declaration (identification of the radio equipment allowing traceability, it may include a colour image of sufficient clarity where necessary for the identification of the radio equipment)

5. The object of the declaration described above is in conformity with the relevant Union harmonisation legislation Directive 2014/53/EU (RED)

6. References to the relevant harmonised standards used or references to the other technical specifications in relation to which conformity is declared

Article 3.1a Health EN 62479:2010

Article 3.1a Electrical Safety EN62368-1:2014+A11:2017

Article 3.1b: ETSI EN 301 489-1 V2.2.3 (2019-11)
ETSI EN 301 489-17 V3.2.4(2020-09)

Article 3.2: ETSI EN 300 328 V2.2.2 (2019-07)

7. Notified Body Name: Eurofins Electrical and Electronic Testing NA, Inc.
Notified Body Number: 0982
Conformity Assessment Performed: Module B/C or Article 3.1a, 3.1b, 3.2
Technical file identification Number: N/A

8. Where applicable, description of accessories and components, including software, which allow the radio equipment to operate as intended by the manufacturer and which are covered by the declaration of conformity are provided in the User Manual. The Software and Hardware versions are specified above.

9. Additional information:
Referring to Article 5(2) of the Directive, this equipment is so constructed that it can be operated in all Member States, without infringing applicable requirements on the use of radio spectrum.
Referring to Article 5(3) of the Directive, this equipment is so constructed that it ensures the equipment into service or of requirements for authorization of use. Please refer to the User Manual for details.
