Request for Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commissions rules, we hereby request that the following documents be held confidential:

- Schematics/Circuit diagram
- Block diagram
- Part list/Bill of materials
- Theory of operation/Operational description

These items contain detailed system and equipment description and related information about the product which Kongsberg Seatex AS consider to be proprietary, confidential and a custom design which otherwise would not be released to the general public. The information are trade secrets. Since this design is a basis from which future technological products will evolve, Kongsberg Seatex AS also feel that this information would be of benefit to our competitors, and that the disclosure of the listed information would give our competitors unjustified benefits in the market.
