| <p><b>EUT Housing and Board<br/>View 1</b></p>      |  A photograph showing the EUT housing and board assembly. The housing is a blue, oval-shaped plastic component. The board is a white printed circuit board (PCB) with various electronic components, including a microcontroller, capacitors, and resistors. The assembly is placed on a blue textured surface. A black ruler with white markings is visible on the left and bottom, indicating dimensions in millimeters. |
| <p><b>Solder<br/>Board-Component View<br/>1</b></p> |  A close-up photograph of the solder board component. The board is a white PCB with various electronic components, including a microcontroller, capacitors, and resistors. The board is placed on a blue textured surface. A black ruler with white markings is visible on the left and bottom, indicating dimensions in millimeters.                                                                                     |
