

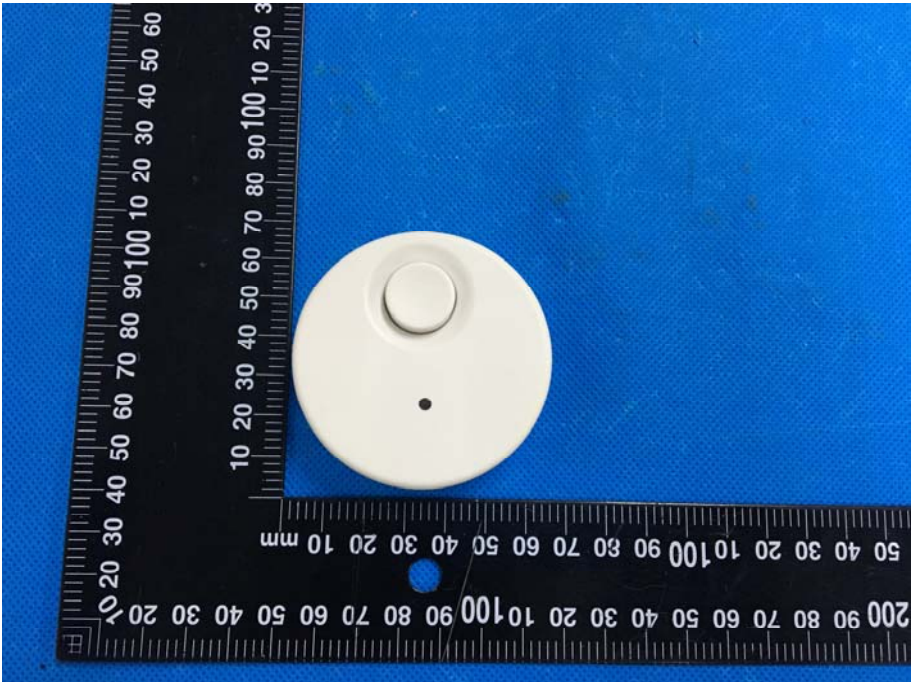

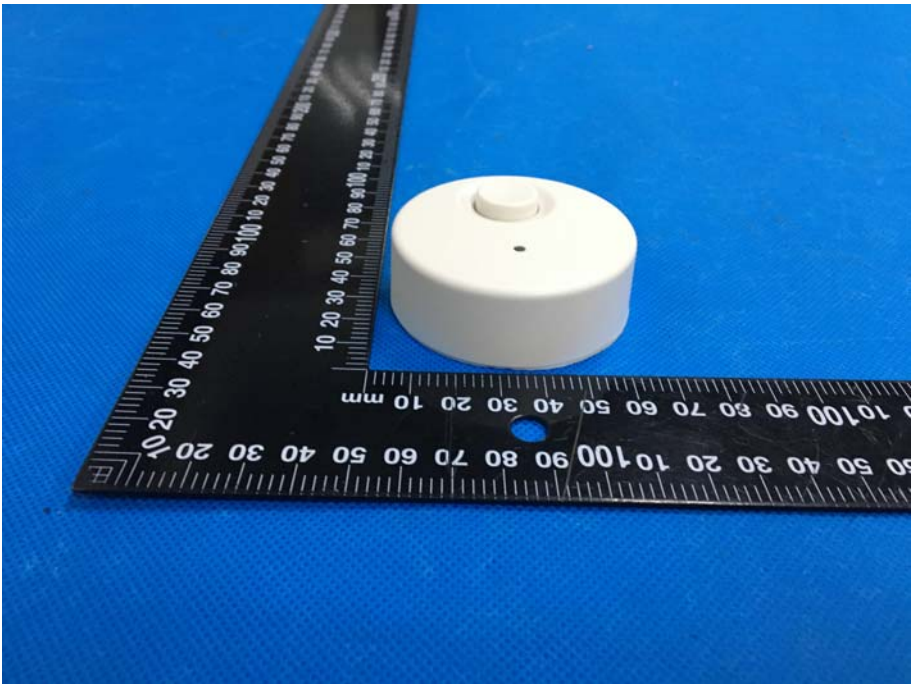

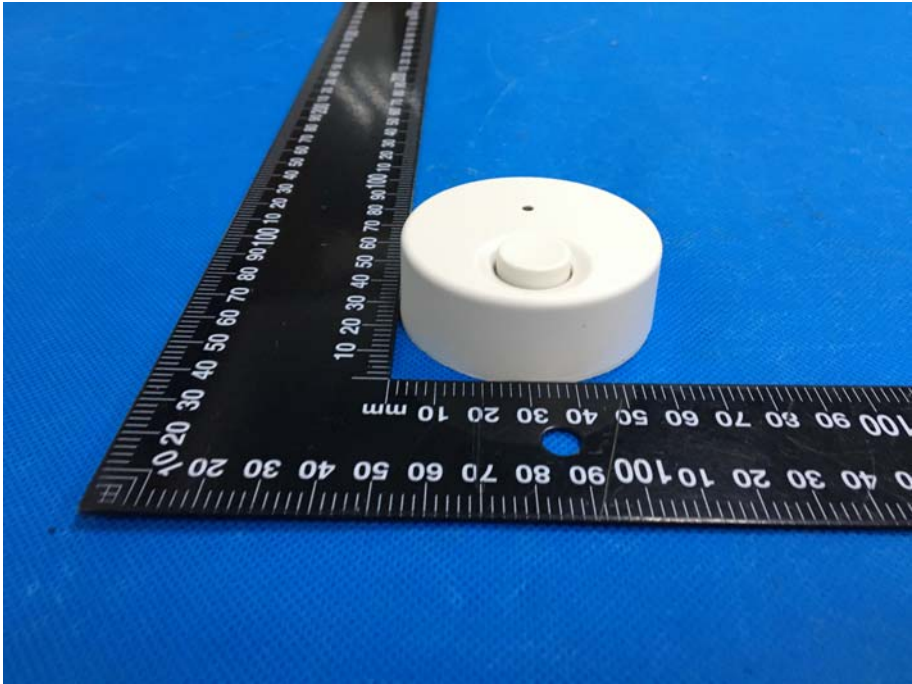

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a white, circular electronic unit. The unit has a small, raised circular button in the center and a tiny dark hole just below it. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters, with numbers visible from 10 to 100 on both arms.
EUT View 2	 A side-view photograph of the same white circular electronic unit, showing its thickness. It is positioned on the same blue surface next to the same black L-shaped ruler. The unit appears to be a thin disc. The ruler's markings are visible, showing the unit's diameter is approximately 40 mm.
