

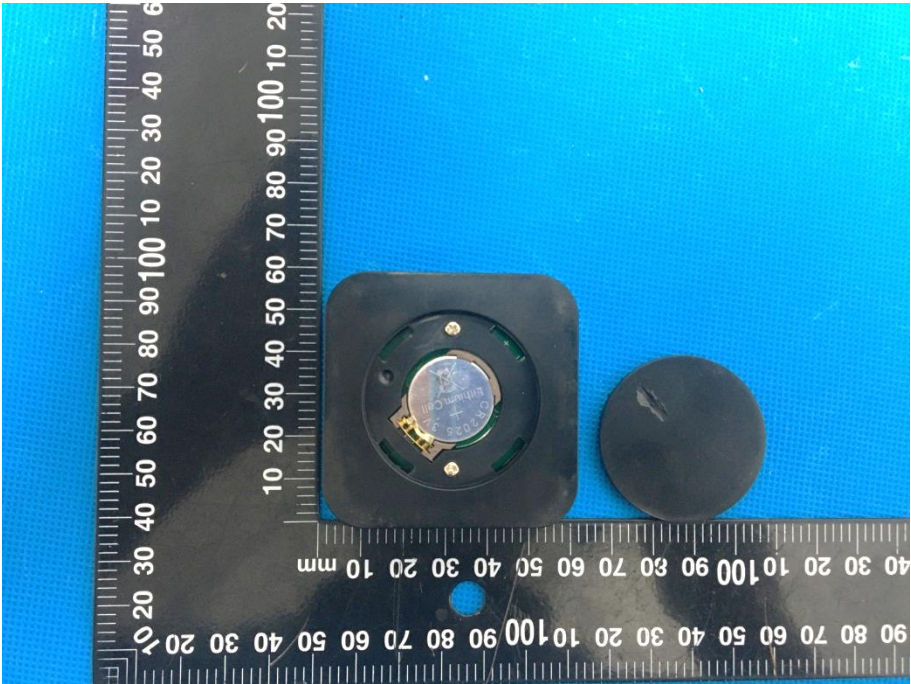

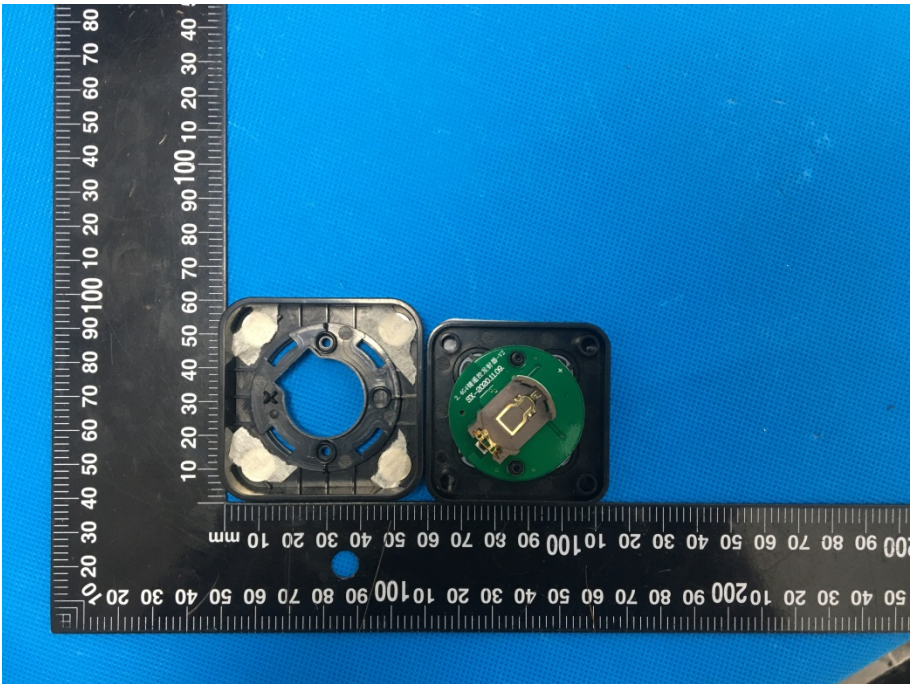

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 2	 A photograph showing the internal components of the EUT housing and board from View 2. A black square housing is positioned on a blue background. Inside the housing, a circular green printed circuit board (PCB) is visible, featuring a central silver-colored component. To the right of the housing is a small, dark, circular object. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters.
EUT Housing and Board View 3	 A photograph showing the internal components of the EUT housing and board from View 3. Two black square housings are positioned side-by-side on a blue background. The housing on the left is open, revealing a blue internal structure. The housing on the right is closed, showing a green PCB with a central silver-colored component. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters.
