

FCC Label

CATLINK AI Cat Feeder - One

Model name:CL-F-01

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-02

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-03

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name: CL-F-04

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-05

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-06

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-07

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-08

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CATLINK AI Cat Feeder - One

Model name:CL-F-09

FCC ID: 2A2JT-CL-F-01

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
