

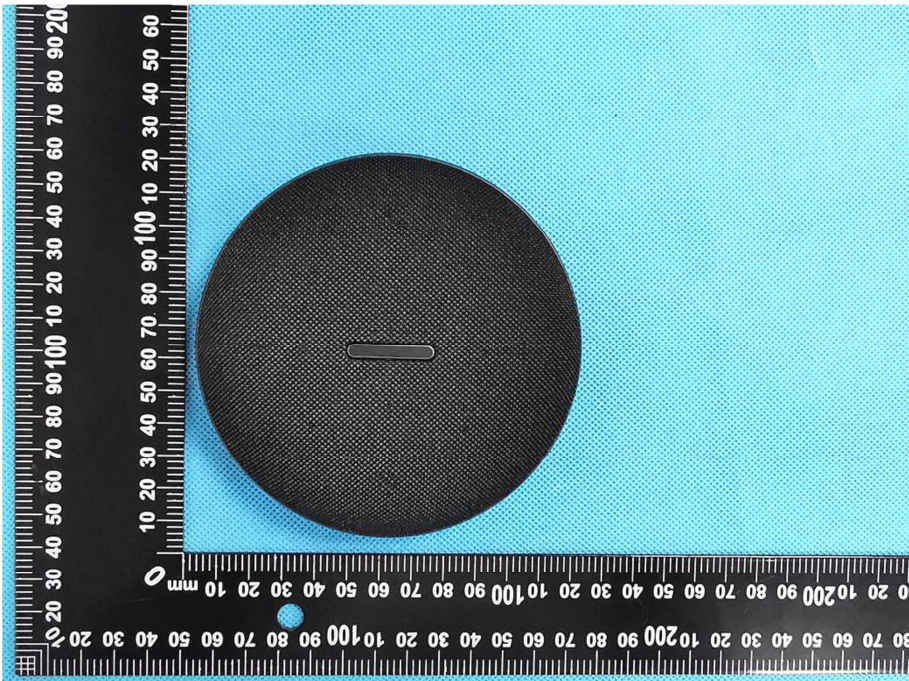

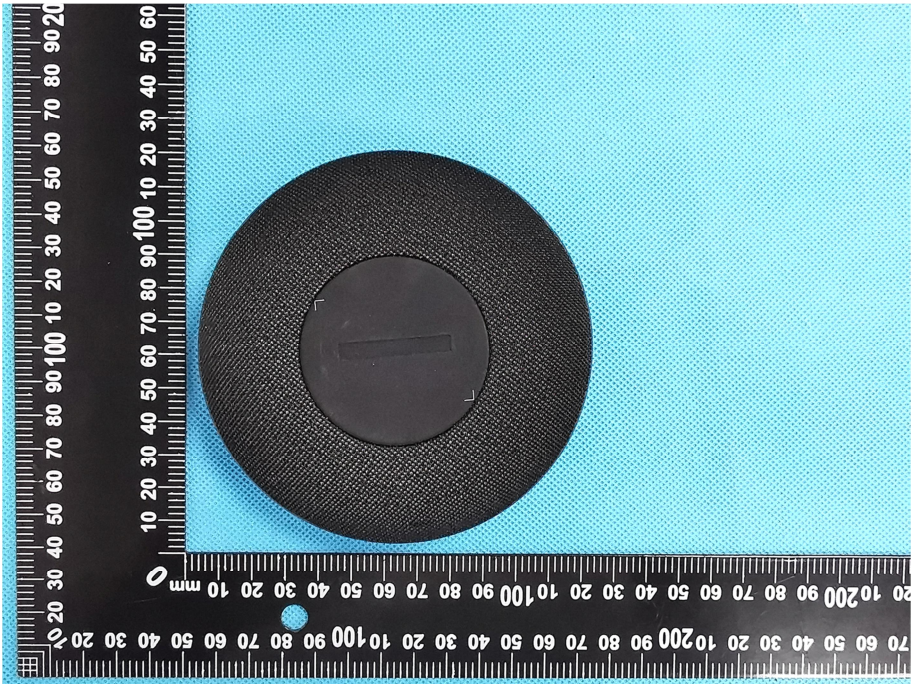

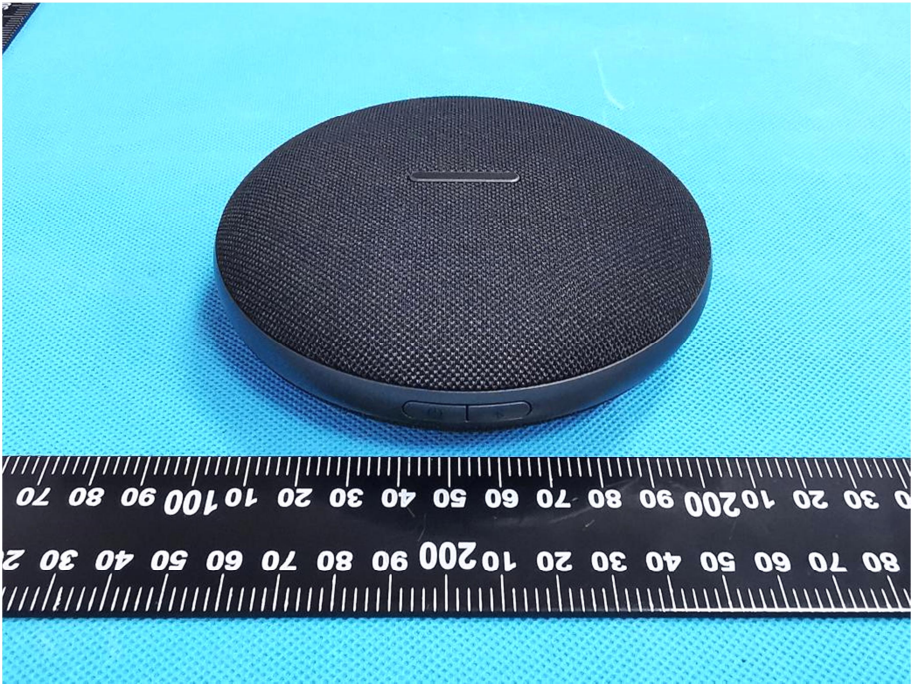

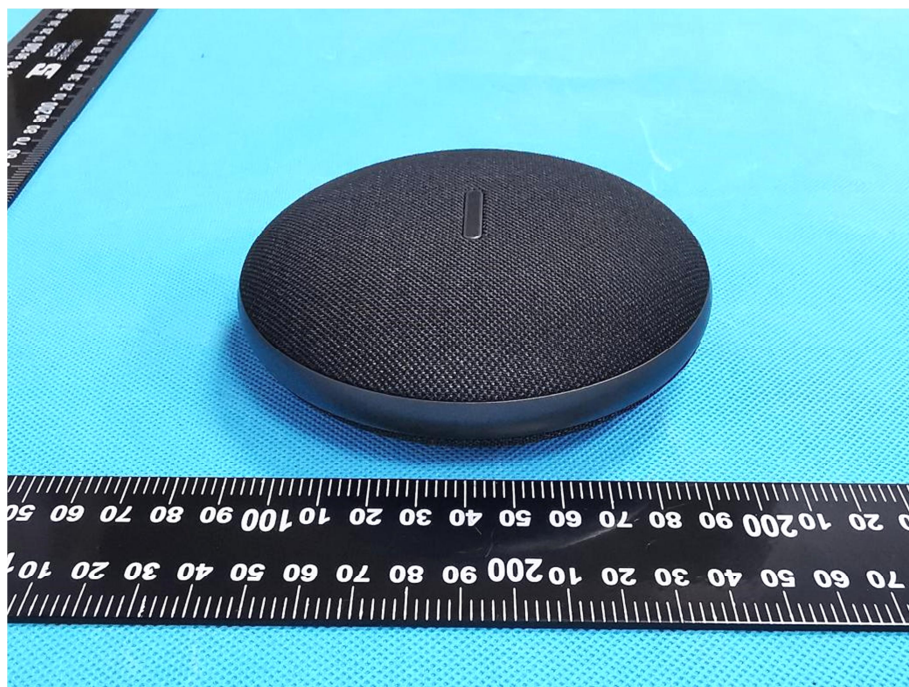

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black circular device with a small horizontal slot in the center, and a black cable with a USB-A connector. They are placed on a light blue textured surface next to a black L-shaped ruler with white markings in centimeters and millimeters.
EUT View 2	 A close-up photograph of the black circular device, showing its textured surface and the horizontal slot. It is positioned next to the same black L-shaped ruler as in View 1.

EUT View 3	 A top-down photograph of a circular, black, textured electronic device. In the center of the device is a smaller, smooth black circle containing a horizontal rectangular slot. The device is placed on a light blue textured surface. To the left of the device is a vertical millimeter ruler with markings from 0 to 100 mm. Below the device is a horizontal millimeter ruler with markings from 0 to 100 mm.
EUT View 4	 A side-view photograph of the same circular black device. The device has a thin profile. A small, horizontal slot is visible on the side of the device. It is placed on a light blue textured surface. Below the device is a horizontal millimeter ruler with markings from 0 to 100 mm.
