Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.
To maintain compliance with FCC's RF exposure guidelines, the distance must be at least 20cm between the radiator and your body, and fully supported by the operating and installation configurations of the transmitter and its antenna(s).

Product parameters

product name	Air purifier	Item No.	DK01/DK01B DK02/DK02B
filter level	HEPA	Rated voltage	12V
Noise	≤55dB (A)	Rated power	24W
Product net weight		Suitable area	5-15㎡
wireless charging	optional	Bluetooth speakers	optional
Requirements for equipment	Support equipment android 4.4 or iOS 7.0 (or version higher) (iphone 4s or above)		

Product hazardous substances declaration

The name and content of harmful substances in the product						
Name of part	hazardous substances					
	Pb	Hg	Cd	Cr (VI)	PBB	PBDE
External components	O	O	O	O	O	O
spare parts of the machine	X	O	O	O	O	O
Internal components	O	O	O	O	O	O
Accessories for stand	O	O	O	O	O	O

This form is prepared according to the provisions of SJ/T11364

O: means that the content of the hazardous substance in all homogeneous materials of the component is below the limit specified in GB/T26572

X: means that the content of the hazardous substance in at least one homogeneous material exceeds the limit specified in GB/T26572.

Cautions Moving

-When moving, please make sure the machine power off and pull out the power plug
-Also, make sure the machine is stable to avoid excessive vibration or hurting people by machine dropping.
