

2450 Holcombe Blvd
Suite X
Houston, TX, 77021

4/9/2021

To whom it may concern:

Zibrio, Inc. requests that the following items remain confidential long-term in the FCC database:

- Block diagram
- Schematic/PCB layout
- Operational technical descriptions

The reason for the request is in order to protect the company's intellectual property from possible competitors.

Best regards,

A handwritten signature in black ink, appearing to read "Kristi Bartlett".

Kristi Bartlett
Director of Operations
