Subject: Submission for **FCC ID: 2A2TM01000**

Soovu Labs, Inc. is submitting documentation and measurements for our new product, the Soovu Pod. The Pod contains a Bluetooth LE radio implemented with Nordic Semiconductor's nRF52832 System-on-Chip.

This is an application for an original grant, per FCC ID Rule part #15.247. All testing has been performed by Element Materials Teechnology.

Yours sincerely,

Mark Freeman
