Step 1: Scroll down to "About" and press SELECT.

> **About Tempo**
> Learn about
> this desk...

Step 2: Scroll down to "Regulatory" and press SELECT.

> **Regulatory**
> FCC and
> ISED info...

Step 3: Scroll down to go through the three pages with FCC and ISED information.

> **FCC**
> FCC ID:
> 2A2UP-ER010U

> **ISED (1 of 2)**
> PMN: Tempo
> HVIN: ER010U

> **ISED (2 of 2)**
> FVIN: D313
> IC: 27611-ER010U

Product Packaging

The exterior of the product packaging will include the following:

> FCC: 2A2UP-ER010U; IC: 27611-ER010U
> This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The Quickstart Guide included with the product includes directions to download the full product manual from ergodriven.com. The manual includes the above instructions to the user to navigate to the regulatory information.
