Product name	Bluetooth Speaker																										
Model	XJY-LY-03																										
Input voltage	100-240VAC /50Hz-60Hz/0.3A																										
Connection method	Bluetooth 5.0																										
Communication distance	10m (barrier-free)																										
Speaker specification	33mm 4Ω 3W																										
Frequency response	120Hz-18KHz																										
Signal noise ratio	≥95dB																										
Operating temperature	-10°~40°																										
Operating humidity	35%~85%																										
Housing material	PC																										
Size	45X45X42mm																										
<p><b>Connection usage:</b></p> <p>1.Click the Bluetooth option in the mobile device icon,turn on the Bluetooth and open the detection button to search,the product model appears in the available devices.</p>  <p>-2-</p>	<p>2.Click on the Bluetooth that starts with "Bluetooth Speaker" in the available devices, the product model will appear in the paired device after successful connection.</p>  <p>-3-</p>	<p><b>FCC Warning:</b></p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>• Reorient or relocate the receiving antenna.</li> <li>• Increase the separation between the equipment and receiver.</li> <li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>• Consult the dealer or an experienced radio/TV technician for help.</li> </ul>	<p>Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>The device has been evaluated to meet general RF exposure requirement. The device can be used in mobile exposure condition, the use distance is 20cm, compliance with exposure requirements.</p> <p>-4-</p> <p>-5-</p>
