INIS SMART PENDANT LUMINAIRE

FCC Warning:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.

RECORD SERIAL NUMBER

INTLITE light will be covered for parts and labour
for 2 years from the date of purchase, subject to the terms of the guarantee.
Contact us with your serial number and details of where and when you bought the light.
Your serial number can be found on the interior of the side cover of light.

Note your serial number for future reference.

SERIAL NO. _____

WARNING

These warnings apply to the light, and also where applicable to chargers or mains adaptors.

TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK, OR INJURY:

1. This light can be used by persons with reduced physical, sensory or reasoning capabilities, or lack of experience and knowledge, only if they have been given supervision or instruction by a responsible person concerning use of the light in a safe way and understand the hazards involved. Cleaning and maintenance shall not be performed by children.
2. Do not allow to be used as a toy. Close attention is necessary when the light is used near children.
3. Ensure light is fully assembled in line with the instructions before use.
4. Suitable for indoor use only 0°C (32°F) – 40°C (104°F).
5. Use only as described in this INTLITE Operating Manual.
6. If the light is not working as it should, has received a sharp blow, has been damaged, left outdoors, or dropped into water, do not use and contact us.

7. Do not disassemble the light, and improper handling may cause electric shock or fire disaster.
8. Do not handle any part of the light, cable or plug with wet hands.
9. Do not use with a damaged cable or plug. If the supply cable is damaged it must be replaced by INTLITE, its service agent or similarly qualified persons in order to avoid a hazard.
10. Do not stretch the cable or place the cable under strain. Keep cable away from heated surfaces.
11. Do not route the cable under furniture or appliances. Do not cover cable with throw rugs, runners or similar coverings. Arrange cable away from traffic area and where it will not be tripped over.
12. Do not use near furnaces, fireplaces, stoves or other high temperature heat sources.

|--------------------------------|----------------------------|-------------------|
| ❶ INIS smart pendant luminaire | ❷ Powerless kinetic switch | ❸ Suspension wire |
| ❹ Housing piece | ❺ Mounting piece | ❻ Screw |

SINGLE LUMINAIRE ONLY

1 Screw

2 Mounting piece

3 Suspension wire

4 Power wire

5 Magnetic housing piece

CONTINUOUS ROW

1 Power connection

2 Magnetic cover connection

3 Cover straining

FUNCTIONS

Create sunlight rhythm curve, simulating the daylight colour temperature, to adapt original biorhythm.

CONTROL

Click switch to change the lighting model.

**Use Kinetic power generating technique,
which means battery free.**

GUARANTEE

TERMS AND CONDITIONS OF THE INTLITE 2 YEAR LIMITED GUARANTEE.

WHAT IS COVERED

- The repair or replacement of your INTLITE light (at INTLITE's discretion) if it is found to be defective due to faulty materials, workmanship or function within 2 years of purchase or delivery (if any part is no longer available or out of manufacture INTLITE will replace it with a functional replacement part).
- Where this light is sold outside of the mainland of PRC, this guarantee will only be valid if the light is used in the country in which it was sold.

SUMMARY OF COVER

- The guarantee becomes effective from the date of purchase (or the date of delivery if this is later). You can provide serial number to our authorized agents, in order to check the guarantee date.
- You must provide proof of (both the original and any subsequent) delivery/purchase before any work can be carried out on your INTLITE light. Without this proof, any work carried out will be chargeable. Keep your receipt or delivery note.
- All work will be carried out by INTLITE or its authorized agents.
- Any parts which are replaced by INTLITE will become the property of INTLITE.

WHAT IS NOT COVERED

INTLITE does not guarantee the repair or replacement of a light where a defect is the result of:

- Damage caused by not carrying out any recommended maintenance of the light.
- Accidental damage, faults caused by negligent use or care, misuse, neglect, carelessness, operation or handling of the light which is not in accordance with the INTLITE Operating Manual.
- Use of the light for anything other than the use it is designed for. Use of parts not assembled or installed in accordance with the instructions of INTLITE.
- Use of parts and accessories which are not genuine INTLITE components.
- Faulty installation (except where installed by INTLITE).
- Repairs or alterations carried out by parties other than INTLITE or its authorized agents.
- Normal wear and tear (e.g. fuse etc.).
