

FCCID: 2A34K-ERTK20

A yellow, ruggedized GNSS receiver is shown against a blue background. A black ruler with white markings is placed horizontally and vertically next to the device for scale. The device has a circular lens in the center, a SIM card slot at the bottom, and several buttons (UHF, power, and directional keys) at the top. Text on the device includes 'e-survey', 'High Precision GNSS Receiver', 'Input: 12 V, 1.5A', 'Contains FCC ID: R4100A', 'IMEI: 2018010101010101', 'Model: RTK20', 'Part: 2018010101010101', 'www.e-survey.com', 'Chongqing e-survey GNSS Co., Ltd.', 'Chongqing Bei Pu Jing Town', 'Shapingba District', 'Chongqing, China', and 'Made in China'. There are also FCC and CE certification marks.
