

A black, circular, perforated object, possibly a filter or a small speaker, is shown next to a ruler for scale. The ruler indicates the object is approximately 1.5 inches in diameter. The object has a flat top surface with a grid of small holes. It is placed on a blue fabric background. A metal ruler is positioned vertically to the left of the object, showing inches from 1 to 4. Another metal ruler is positioned horizontally below the object, showing inches from 1 to 15.
