

The diagram consists of two main rectangular components. On the left is a large rectangle containing a smaller, centered rectangle. The text "Label Here" is positioned within the smaller rectangle. To the right of this is another rectangle containing two lines of text: "FCCID:2A38FAR4050S-5G" and "IC : 28150-AR4050S5G". A horizontal arrow points from the text in the right-hand rectangle towards the right side of the inner rectangle on the left.
