We

Name: Belden Hirschmann Industries (Suzhou) Ltd.

Address: 333 Yanhu Road, Huaqiao Town, Kunshan City, Jiangsu Province, P.R. China

Product: Dragonfly Industrial Wireless Access Point

FCC ID: 2A38RDAP847

declare that the above reference product is professionally installed.

The HIT Dragonfly Access Point are intended for enterprise level installations. Belden Hirschmann Industries (Suzhou) Ltd. supports direct sales to large customers and sales via value-added resellers/distributors. There are no retail or mail order sales channels. In all cases, installation is performed by a trained installer. Belden Hirschmann Industries (Suzhou) Ltd. provides a certified training program.

The complexity of the Belden Hirschmann Industries (Suzhou) Ltd. makes training a requirement for installation and operation. Without training, a user would not be able to perform the initial configuration that would enable transmission of the access points. It is during the initial provisioning of any APs that the

There is a specific ordering guide that provides a list of acceptable antennas for a particular access point. This is referenced in the Installation Guide.
