Subject: Modular Approval submittal

To whom it may concern:

We, OStream Inc. would like to request authorization under a modular approval for FCC ID: 2A3CJ-400102.

In accordance with The CFR Title 47 Section 15.212, the following requirements have been fulfilled:

- The modular transmitter has its own RF shielding
- The modular transmitter has buffered modulation/data inputs
- The modular transmitter has its own power supply regulation
- The modular transmitter complies with antenna requirements of section 15.203
- The modular transmitter has been tested in a stand-alone configuration
- The modular transmitter is labeled with its own FCC ID number
- The modular transmitter complies with any specific rule or operation requirements applicable to the transmitter and manufacturer has provided adequate instructions along with the module to explain any such requirements
- The modular transmitter complies with any applicable RF exposure requirements in its final configuration

If you have any further questions or need additional information, please feel free to give me a call at 949-337-5884.

Sincerely,

A handwritten signature in blue ink, appearing to read "K Shih", is written over a horizontal line.
