Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

SUBJECT: Change of ID

To Whom It May Concern:

This letter grants authorization for representative of Gauthier Biomedical Inc to apply to the FCC for a change in identification as specified under 47CFR section 2.933 of the FCC rules.

The original certification FCC ID: TFB-1005 will remain valid.

This authorization applies to the Laird Connectivity LLC model SaBLE-x-R2, FCC ID: TFB-1005. The original grant date was June 12, 2017.

Gauthier Biomedical will be marketing the SaBLE-x-R2 module as a product under a new FCC Identifier. Gauthier Biomedical's grantee code is 2A3CW and proposes that it be issued FCC Identifier 2A3CW001 for the module.

Laird Connectivity has no control or responsibility with regards to the installation and use of the 2A3CW001 module in the products outlined by Gauthier Biomedical. As a result, Gauthier Biomedical takes ownership and responsibility for compliance of their products which include the 2A3CW001 module.

The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment. Any confidential information regarding the TFB-1005 module shared to various test and certification firms shall remain confidential amongst the parties involved and not be shared to other third parties (including Gauthier Biomedical Inc) unless authorized.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Petted". Below the signature is a small rectangular box containing the text "E3272952410". To the right of the signature, the "Laird Connectivity" logo is visible, featuring the company name in a stylized font with a swoosh graphic and the word "CONNECTIVITY" in a smaller, sans-serif font.
