Return & Refund Policy

The following terms apply to regions outside of mainland of China.

Our policy lasts 72 hours for general items. If the time is due, unfortunately we can't offer you a refund or exchange.

There are certain situations we can't offer you a refund or exchange:
– 72 hours have gone by since you received the item.
– Any item not in its original condition, is damaged or missing parts for reasons not due to our error.
– Dislike due to personal preferences.

1. If you need to refund or exchange, please click Contact Us on the bottom of our website and leave your message. We will contact you within 3 working days.

2. To be eligible for a return, your item must be unused and in the same condition that you received it. It must also be in the original packaging. Any missing parts will delay the refund or cause partial refunds.

3. You will be refunded after we receive the returned product and check it. Once your return is received and inspected, we will send you an email to notify you that we have received your returned item. Then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within 7 business days.

4. If there is insufficient stock of exchanging products, we will inform you about the specific treatment.

5. Please contact us first if you want a refund or exchange. We will not accept returns or exchanges if you haven't contacted us in advance.

Aftersales Service

6. Minor color variations, scratches, and color differences inside the product are considered normal. External appearances may show small dots or discolorations with diameters less than 0.3mm, as well as air bubbles, color differences, and a slight roughness at the edges. Acrylic components may exhibit localized fogging, machining marks, and minor roughness, which are not covered under warranty.

7. The PETBRICK 65 plush cover features a fully handmade fur application process and a curved design. There may be slight wrinkles and excess glue at the edges and color junctions, which is normal.
