Bluetooth Remote Control Instructions

But Wait ... There's More!

- FAQs and Troubleshooting:
1. Q: What is the range of the Bluetooth remote?
A: Bluetooth remote control distance is 33 ft (10 m) max.
 2. Q: The remote goes inactive if unused for 10 minutes. How do I reconnect?
A: Click the iOS or Android button and wait for the remote to reconnect.
 3. Q: What USB outlets can I use for powering the ring light?
A: Use any powered USB adapter or computer/laptop USB port. Requires 1.5v minimum for operation.
 4. Q: What do I do if remote won't connect?
A: Remove from bluetooth devices list on other phones. Cycle remote power switch and wait for blinking blue light before pairing.

The Fine Print

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Walmart Inc., Bentonville, AR 72716 1-888-516-2630

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

The Fine Print

-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.

Battery Caution

⚠ Do not ingest the battery, Chemical Burn Hazard (The remote control supplied with). This product contains a coin/button cell battery. If the coin/button cell battery is swallowed, it can cause severe internal burns in just 2 hours and can lead to death. Keep new and used batteries away from children. If the battery compartment does not close securely, stop using the product and keep it away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention.
