Declaration Letter of FCC Part 15B

Date : 2023-03-24

Due to the reason that FCC ID : 2A3G3-WMX720X Model : WMX7203 & WMX7203-F had changed the PCB size and interface. It is different with the original module FCC ID : 2A3G3-WMX720X Model : WMX7205.

We test the WMX7203 for standard of FCC Part 15B and the data is better then the original module.

Therefore we justified it under C1PC rules and keep the test data in lab.
