

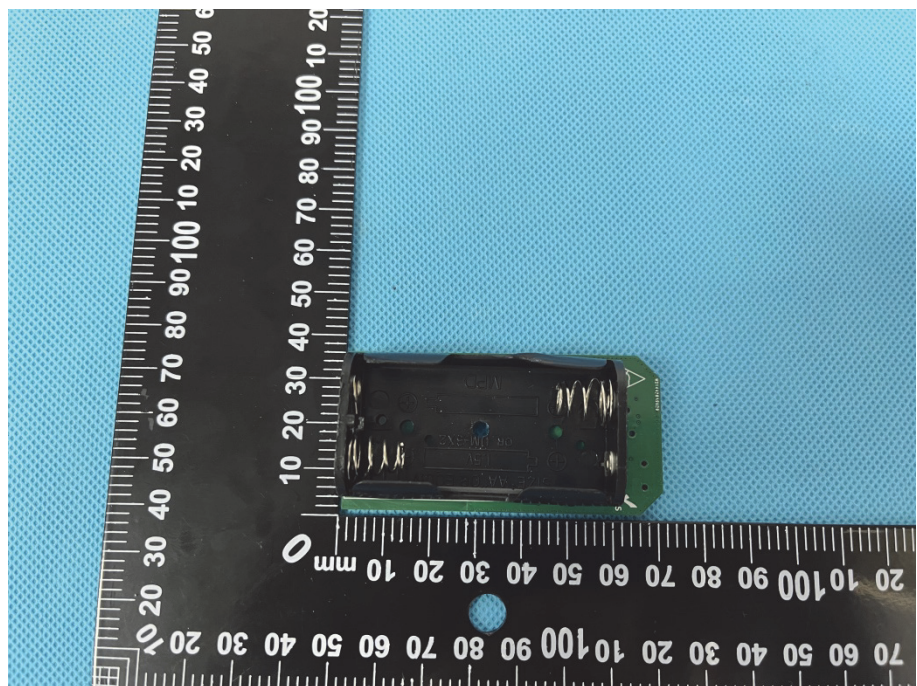

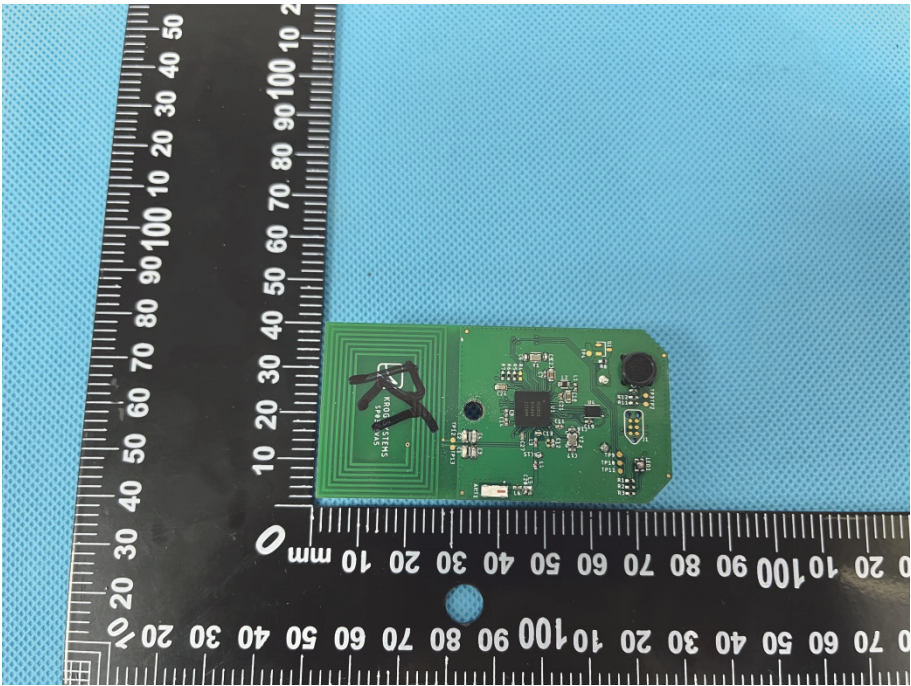

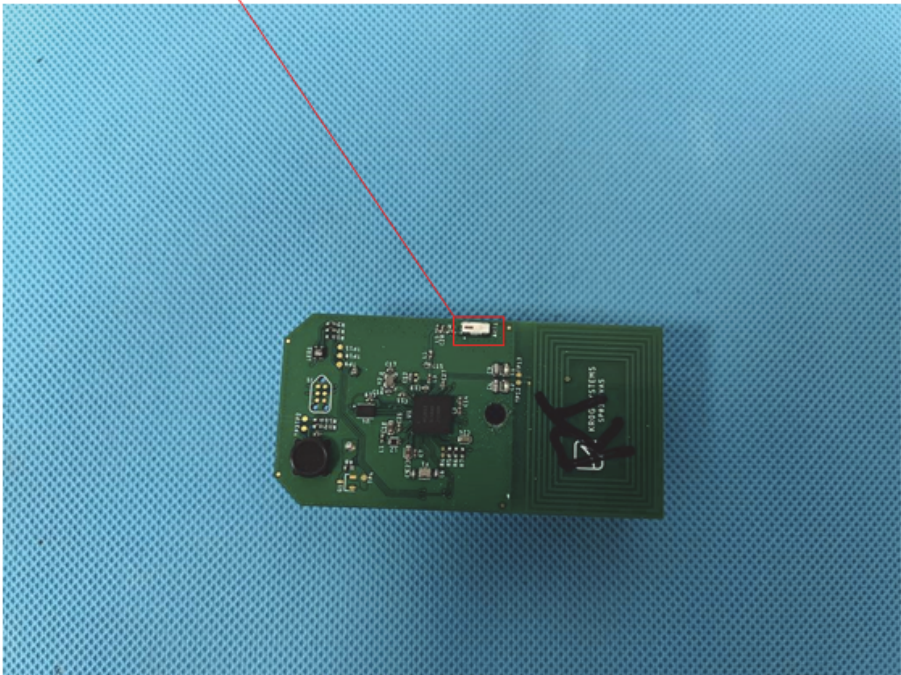

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**Solder
Board-Component
View 1**

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a Bluetooth module, placed on a blue textured surface. A black L-shaped ruler is positioned next to the component for scale. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The PCB features a large, square, spiral-shaped antenna on the left side, which is marked with a black 'X' and the text 'Solder Board-Component View 2'. Various electronic components, including a microcontroller, capacitors, and resistors, are visible on the board.
Antenna View	BT Antenna  A photograph of the same green PCB component, showing the antenna side. A red box highlights the antenna area, and a red line points from the label 'BT Antenna' to this area. The antenna is a square spiral shape. The PCB also shows various electronic components and a black 'X' mark with the text 'Solder Board-Component View 2'.
