Solder Board-Component View 3	 A photograph of a small, black, rectangular electronic component mounted on a blue textured surface. The component has two gold-colored pads on its left side and a thin wire extending from its right side. A black L-shaped ruler with white markings is placed next to the component for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 4	 A photograph of a small, rectangular electronic component with a yellow and white label, mounted on a blue textured surface. The component has two thin wires (one red, one black) extending from its left side. A black L-shaped ruler with white markings is placed next to the component for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
