Declaration of authorization

Date: 2022.01.19

Product Name: Pello Smart Sensor

Model No.: DDW-M300

FCC ID: 2A3Q6M300

IC: 27969-M300

This device integrates a Quectel cellular module, FCC ID: XMR201910BG95M3; IC: 10224A-201910BG95M3.

No hardware design changes are made on the modules. Pursuant to KDB 996369 D02, the original modular report (original module FCC ID: XMR201910BG95M3, approved on 07/13/2020, IC: 10224A-20191BG95M3, approved on 09/01/2020) are submitted to represent the compliance of FCC rules conducted RF testing items of this device.

Only the FCC rules radiated RF testing items are tested on this host device due to KDB 996369 D02: certain test data may be re-used if properly justified. In original modular report, conducted testing has been well evaluated.

A handwritten signature in black ink, appearing to read 'Minaz Fazal', with a stylized flourish at the end.

Minaz Fazal
