Details of:	Pump
	 A small, cylindrical DC pump with a white plastic body and a black motor housing. The pump has a white label with the text 'YYP310-6B2', 'DC 6V', and '2022/09/27'. It is connected to a red and a white wire. A ruler is placed next to it for scale, showing it is approximately 4 cm long. The pump is resting on a blue fabric surface.

Details of:	Solenoid valve
	 A silver, rectangular solenoid valve with a label that reads 'YV1-6B2-1', 'DC 6V', and '2022/09/27'. It is connected to a red and a white wire. The valve is mounted on a black plastic component, and a blue tube is visible in the background.
