Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, labeled 'View 4'. The component is rectangular with several surface-mounted components, including a central integrated circuit (IC) and various resistors. It is positioned next to a black ruler with white markings for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is placed on a blue fabric background.
Solder Board-Component View 5	 A photograph of the same green PCB component, labeled 'View 5'. This view shows the component from a different angle, highlighting the underside of the board. It features a large white rectangular area, likely a solder mask or a label, and several surface-mounted components. The component is positioned next to a black ruler with white markings for scale. The ruler shows measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is placed on a blue fabric background.
