

Solder Board-Component View 8	 A photograph of a small, green, semi-circular solder board component. The component has several small, circular solder points on its surface. It is positioned next to a black ruler with white markings, which shows measurements in millimeters. The ruler is placed on a blue background.
Solder Board-Component View 9	 A photograph of a rectangular solder board component. The component is green and features a complex circuit board with various electronic components, including a large integrated circuit (IC) and several smaller components. It is positioned next to a black ruler with white markings, which shows measurements in millimeters. The ruler is placed on a blue background.
