

FCC ID: 2A3UHRD02

Subject: Compliance Statements in Transportation Vehicle Manual

To whom it may concern,

The device with the above listed product identification is marketed solely together with transportation vehicles. Consequently, its functional description will be included in the individual owner's manual of the vehicle.

The customer (OEM) of the transportation vehicle is requested to place following compliance statements into the vehicle owners manual:

The title "CAUTION TO USERS" or "FCC WARNING": "NOTE" or relevant title and "Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation."

If you have any questions, please feel free to contact me.
