

510154 User Manual

How to working:

1. When charged, press the button for 2-3 seconds. The light will blink when powered on.
2. Press the button for 1 second to change the vibrator pattern and speed. The light will flash as the pattern/speed is changed.
3. Before inserting the prostate stimulator apply a water-based lubricant to both the device and your anus.
4. Slowly insert the device, taking as much time as you need for your anal muscles to relax.
5. To remove, gently pull it out giving your muscles time to relax.
6. To turn it off, press and hold the button for 2-3 seconds.

Pairing your Thriller for App use: Device must be turned on first

Can be used with water-based lubricants like **SKYN® Naturally Endless**.
Do not use with silicone-based lubricants.

How to charger it

HOW TO CHARGE THE BATTERY COMMENT CHARGER LA BATTERIE

1. Before charging, make sure the outlet is free from water or lubricant residue.
2. Insert the charging cord into the end of the device and plug the USB-A cord into a power source. The power button will blink when charging and turns green when fully charged.
3. Unplug the device before use
4. 2 hours of charging time will provide up to up to 2 hours of pleasure – or up to 50 minutes when used on highest vibration pattern. Power button blinks when charging, and lights green when at full charge.
