Press again to end the call.</li> <li>• <b>Press + hold</b> the <b>M\ </b> button to reject an incoming call.</li> <li>• 2x Press the <b>M\ </b> button to redial the last outgoing number.</li> </ul>	<p><b>FCC Information</b> This device complies with Part 15 of the FCC Rules. <b>Caution:</b> Any changes or modifications not expressly approved could void the user's authority to operate the equipment.</p> <p><b>Note:</b> This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>—Reorient or relocate the receiving antenna.</li> <li>—Increase the separation between the equipment and receiver.</li> <li>—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>—Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p><b>Radiation Exposure Information</b> The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p> <p><b>WARNING: Li-ion Battery Inside</b> This product is fitted with a Li-ion battery. Do not damage, open, or dismantle the battery and do not use it in damp and/or corrosive conditions. Use only with compatible chargers. Never expose the battery in a fire, and never expose them to high temperatures. Do not expose the product to temperatures exceeding 60°C (140°F).</p> <p><b>Rating Label Definitions</b></p> <ul style="list-style-type: none"> <li>— Direct current symbol.</li> <li>— This symbol signifies the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment.</li> <li>— This symbol signifies and declares that this equipment has battery charging which complies with California CEC and energy efficiency.</li> <li>— Bluetooth® This symbol signifies that this is a wireless device powered by Bluetooth® technology.</li> </ul>	<p><b>Compliance Information</b> 90-Day Limited Warranty This product or service is sold and distributed new by an authorized retailer or warrantied by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:</p> <p><b>Limitation of warranty to original consumer</b> This product or service is sold and distributed new by an authorized retailer or warrantied by Southern Telecom, Inc. to the original consumer purchaser against defects in materials and workmanship ("Warranty") as follows:</p> <p><b>To obtain warranty service:</b></p> <ul style="list-style-type: none"> <li>• Visit our customer support portal: <a href="http://www.customersupport123.com">www.customersupport123.com</a> and select "Support".</li> <li>• Select the brand, fill out the corresponding form (exchanges require dated proof of purchase from an authorized retailer) then submit your request.</li> </ul> <p>Your product will be repaired or replaced, at our option, for the same or similar model of equal value if examination by the service center determines this product is defective.
