

Correction to FCC ID (2A43I-A2PRO) for U.S. Service of Process Agent Information

Dear Sir/Madam

We are writing to address an issue regarding the U.S. Agent for Service of Process information submitted in the FCC ID application for 2A43I-A2PRO. During a recent review, it was discovered that the previously provided U.S. agent details were incorrect and did not meet the compliance requirements set forth by the FCC.

The discrepancy was due to incorrect documentation provided by a third party, which resulted in us submitting the incorrect information, and we sincerely apologize for this oversight.

To correct this issue and ensure compliance with FCC regulations, we have reviewed our internal processes and implemented the necessary measures to prevent such errors from occurring in the future. In addition, we are now submitting updated and accurate U.S. Agent information for your records.

New U.S. Agent Details:

- U.S. Agent Name: Yueling Zhu
- Company Name: SOUTH BAY INNOVATION LLC
- Address: 23545 CRENSHAW BLVD STE 102 Torrance, CA US 90505
- Phone number: 4243769142
- Email Address: southbayinnovation@southbayinnovation.com
- FRN:0033401811

We confirmed the address of the agent is a valid physical US mailing address; and the agent physically located at the valid US address such that the agent can be legally served at that address; and the listed agent has clearly agreed in writing to serve as the agent for the grantee at that address.

Enclosed is the necessary supporting documentation, including an updated signed power of attorney from the U.S. agent verifying their roles and responsibilities.

We appreciate your understanding and assistance in resolving this matter expeditiously.

Attached is the following document which shows physical proof of U.S Agent.

Thank you for your attention to this matter.

Full Name: *Ms Chen*

Company Name: Shenzhenshimiaokesidawangluokejiyouxiangongsi
