

Solder Board-Component View 5	 A photograph of a small, rectangular printed circuit board (PCB) assembly, labeled '5', resting on a blue textured surface. The board is populated with various electronic components, including a large central chip, several smaller surface-mount components, and a white connector on the right side. A black L-shaped ruler is placed next to the board for scale, with markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
Solder Board-Component View 6	 A photograph of a small, rectangular printed circuit board (PCB) assembly, labeled '6', resting on a blue textured surface. The board features a prominent square chip with a logo in the center, surrounded by other surface-mount components. A white connector is visible on the left side. A black L-shaped ruler is placed next to the board for scale, with markings in millimeters (0 to 100 mm) and centimeters (0 to 10 cm).
