

IMPORTANT PRODUCT INFORMATION

SAFETY INFORMATION

READ ALL SAFETY INFORMATION BEFORE USING THE DEVICE. FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS COULD RESULT IN FIRE, ELECTRIC SHOCK, OR OTHER INJURY OR DAMAGE.

BATTERY SAFETY

This product contains alkaline batteries. The remote requires batteries for use. Only use new 1.5V alkaline or 1.2 NiMH rechargeable AAA-sized batteries. Never mix old and new batteries. Keep all of the batteries out of the reach of children. If any batteries begin to leak, take steps to prevent the fluid from coming into direct contact with skin or clothes as the fluid could be corrosive and may be toxic. Remove the batteries and clean the battery compartment in accordance with the battery manufacturer's recommendations.

MAINTAINING YOUR AMAZON SIGNAGE STICK

Refer to the [Safety & Compliance](#) section on [amazon.com/devicesupport](#) for additional information.

Do not expose your device or adapter to liquids. If your device or adapter gets wet, carefully unplug all cables without getting your hands wet and wait for the device and adapter to dry completely before plugging them in again. Do not attempt to dry your device or adapter with an external heat source, such

22-005428-01

as a microwave oven or a hair dryer. If the device or adapter appear damaged, discontinue use immediately. Use only accessories supplied with the device to power your device.

Your Amazon Signage Stick may get hot during normal use. To reduce the effect of the warming, place your Amazon Signage Stick on a heat resistant surface. If you find the device has become hot to the touch, unplug power and let it cool down for a few minutes before handling.

Model Number: L2593C
Electrical Rating: 5.25V \pm 1.0A
Operating Temperature Range: 0–35°C (32–95°F)

ALEXA VOICE REMOTE ENHANCED
Model Number: K7Q3MT
Electrical Rating: 3.0V (2 AAA Batteries)
Operating Temperature Range: 0–35°C (32–95°F)

FCC COMPLIANCE

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This product has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and

used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

[47 CFR 15.21]

Pursuant to Section 15.21 of the FCC rules, changes or modifications to a Product by the user that are not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device meets the FCC Radio Frequency Emission Guidelines. Information on the product is on file with the FCC and can be found by inputting such Product's FCC ID (which can be found on the device) into the FCC ID Search form available at <https://www.fcc.gov/oet/ea/fccid>.

The output power of the radio technology used in the Products is below the radio frequency exposure limits set by the FCC. Nevertheless, it is advised to use the Products in such a manner that minimizes the potential for human contact during normal operation.

This device should be installed and operated with at least 20 cm between the radiator and your body.

FCC regulations restrict the operation of this device to indoor use only. The operation of this device is prohibited on oil platforms, cars, trains, boats, and aircraft, except that operation of this device is permitted in large aircraft while flying above 10,000 feet.

Operation of transmitters in the 5.925–7.125 GHz band is prohibited for control of or communications with unmanned aircraft systems.

The party responsible for FCC compliance is Amazon.com Services LLC 410 Terry Ave North, Seattle, WA 98109 USA. If you wish to contact Amazon visit [www.amazon.com/devicesupport](#), select United States, click Help & Troubleshooting, then click on Contact Us.

Device Name: Amazon Signage Stick
Model: L2593C

COMPLIANCE MARKINGS

Certification and compliance markings for the remote can be found in the battery compartment.

RECYCLING YOUR DEVICE PROPERLY

In some areas, the disposal of certain electronic devices is regulated. Make sure you dispose of, or recycle, your device in accordance with your local laws and regulations. For information about recycling your device, go to [www.amazon.com/devicesupport](#).

ADDITIONAL SAFETY AND COMPLIANCE INFORMATION

For additional safety, compliance, recycling and other important information regarding your device, please refer to the Settings Menu on your device.

AMAZON TERMS & POLICIES

Before using this device, please read all applicable terms, rules, policies and usage provisions available at [www.amazon.com/devicesupport](#) or in the device settings (collectively, the "Agreements"). CONNECT YOUR AMAZON SIGNAGE STICK

1

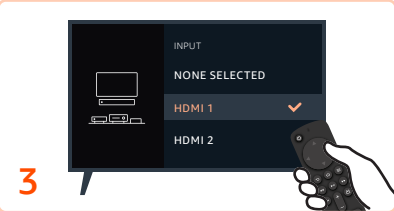

1. Plug your Amazon Signage Stick (a) into your display's HDMI port and (b) connect one end of the power cable to your stick.

Optional: Use the included HDMI extender if it's difficult to plug your Amazon Signage Stick into your display's HDMI port.

2

2. Connect the other end of the power cable (c) to the power adapter, then plug the adapter (d) into a power outlet.

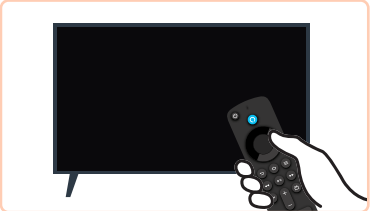

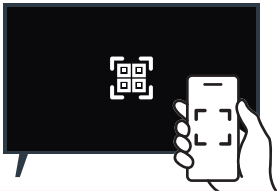

3

3. Turn on your display and switch to the appropriate HDMI input.

Tip: Use the remote that came with your display to select the HDMI source or input.

SET UP YOUR AMAZON SIGNAGE STICK

When your Amazon Signage Stick is connected, a QR code will appear on the screen.

Scan the QR code with a mobile device to complete setup.

You can also use an Amazon remote to finish setup.

Place the batteries in the remote and follow the onscreen instructions.
