Solder Board-Component View 1	 A photograph of a small green printed circuit board (PCB) component, identified as a solder board component, placed on a blue background. The component is positioned next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). The component is oriented vertically, with its longer side parallel to the ruler's edge. The component has a circular pattern of solder pads and a central rectangular area.
Solder Board-Component View 2	 A photograph of the same green PCB component, viewed from the opposite side (View 2). The component is placed on a blue background next to a black ruler with white markings. The ruler shows measurements in millimeters (mm) and centimeters (cm). The component is oriented vertically, with its longer side parallel to the ruler's edge. The component features a circular pattern of solder pads, a central rectangular area, and a small yellow component labeled "LED". The text "WRT101" and "20250820" is visible on the component.
