

Re: Change of Identification Authorization

Date: 2022-03-01

To Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD

The letter grants authorization for representatives of **Foshanshi Nanhaiqu Keshunca E-commerce Firm**

Product Name: PS4 Game Controller

Trade Mark: KENNEAS

Model: HS-PS4252

FCC ID: 2A4ZO-KNPC1

to apply the FCC for a change in identification as specified under FCC CFR 47 PART 15 C(15.249).

This authorization applies to

Original applicant: **Shenzhen Hongsheng Zhichuang Technology Co., Ltd**

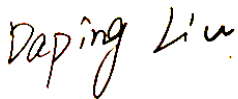

Original Certificate: **2A2OL-PS4252** and issued Date: **08/05/2021**

The EUT is the same, the product name, model name, trade mark and appearance were inconsistent. FCC ID has been changed. The original test results continue to be representative of and applicable to the changed equipment.

Note: The definition of identical should be "electrically identical". Per FCC section 2.924 and 2.933, "a device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device are identical".

Should there be any questions, please feel free to contact us.

Sincerely,
