# Wireless Home Theater System With Remote Control

# Important Safety Precautions

When using your Wireless Speaker System with Remote Control, basic safety precautions should always be followed, including the following:

1. READ ALL INSTRUCTIONS BEFORE USING YOUR SPEAKERS.
2. Clean using a soft cloth or paper towel.
3. Do not allow children or the infirm to play with your speakers without adult supervision.
4. Do not expose your speakers to excessive heat, flames or fire.
5. Always press all buttons or switches carefully. Do not manhandle your speakers.
6. Do not use in extremely dry environments, as this can lead to static discharge during usage.
7. Do not expose your speakers to temperatures above 40°C.
8. Do not attempt to repair this product yourself. Contact a qualified service center if your speakers are in need of service.
9. Do not drop, puncture or expose your speakers to excessive trauma.
10. Your speakers are not intended for commercial use.
11. Do not place near objects that generate a strong magnetic field.
12. Unplug this device when not in use for long periods of time or during lightning storms.
13. In order to avoid the risk of fire or electric shock, do not expose this unit to rain or moist environments.
14. Only use products indoors. Do not expose power plug to water or moisture.
15. Keep your speakers and power cable on a dry, cool even surface. Plugging in a power cord that has been exposed to water can cause fires or electrical shocks.

## WARNING:

In order to avoid the risk of fire or electric shock, do not expose this unit to rain or moist environments.

**\*Please note: this product is for indoor use ONLY.**

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.
