EUT View 2	

EUT View 3	 A photograph showing a circular, white, flat object with a thin rim, placed on a blue textured surface. A metal ruler is positioned horizontally below the object, and another ruler is positioned vertically to the left of the object. The object's diameter is approximately 10 cm.
EUT View 4	 A photograph showing the same circular, white, flat object from a slightly different angle, still on the blue textured surface. The same metal rulers are present for scale, indicating the object's size is consistent with the previous view.
