Regarding FCC Country Code Selection guidelines identified in KDB 594280 D01 Software Configuration Control v02r01.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Name: MIA XIE

Date: 2025/02/18

Title: Manager

Signature of applicant

A handwritten signature in black ink, appearing to read 'Mia Xie', is written over the printed text 'Signature of applicant'.
