

<div><div>JARNEX</div><div>QUICK START GUIDE</div><div></div><div>2K Pan-Tilt Camera</div></div>	<div><div>JARNEX</div><div>Welcome to JARNEX Smart Camera Setup</div><div>Thank you for choosing the JARNEX Smart Camera. This quick start guide will swiftly guide you through setup and installation. Let's get started!</div><div><div>Indicator Light</div><div>Lens</div><div>Microphone</div><div>Speaker</div><div>Call Button</div><div>Type-C Port</div></div><div><div>Package Includes</div><div></div></div><div><div>APP Set Up</div><div></div><div>Download the free JARNEX app from the App Store or Google Play Store, open the app, tap Sign Up, and follow the on-screen instructions to set up your account.</div><div>Connect the cell phone to the 2.4 GHz WiFi network and ensure Location and Bluetooth are enabled.</div></div></div>	<div><div>JARNEX</div><div><div>Light Indication</div><div><div><div>Solid Red Light</div><div>The camera is powered on and initializing.</div></div><div><div>Flashing Blue Light</div><div>The camera is connecting to network.</div></div><div><div>Flashing Red Light</div><div>The camera is ready to connect.</div></div><div><div>Solid Blue Light</div><div>The camera is working properly.</div></div><div><div>Flashing Red And Blue Light</div><div>The camera loses connection and searches for the network after connected.</div></div></div><div><div>ADD Device(Bluetooth)</div><div></div><div>Power the camera using the provided cable and USB adapter. Open the JARNEX app, log in, and select Add Device from the menu by tapping the "+" icon located at the top-right corner of the screen.</div></div><div><div>Navigation</div><div></div><div>Navigate to the top of the screen, allowing a few moments for the camera detection process. Once the 'Camera' appears, select it and confirm that the indicator light continues blinking red.</div></div></div></div>	<div><div>JARNEX</div><div><div>WiFi Setup</div><div></div><div>Ensure that the displayed WiFi network corresponds to your 2.4GHz network. Enter your WiFi password, then click "Next". Allow a few seconds for the process, and upon completion, the message "Added successfully" will appear.</div></div><div><div>ADD Device(QR Code)</div><div></div><div>To manually add the camera without utilizing Bluetooth, access the button screen, choose the appropriate camera, and follow the on-screen instructions provided within the app.</div></div><div><div>Installation Options</div><div></div><div>You have three installation options for the camera: Tabletop or Shelf: Simply place it on a table, shelf, or any flat surface.</div></div></div>	<div><div>JARNEX</div><div><div>Wall Mounting</div><div></div><div>Align the grooves with the mounting plate until it securely clicks into place on the wall.</div></div><div><div>Ceiling Mounting</div><div></div><div>Similarly align the grooves with the mounting plate to securely affix the camera to the ceiling.</div></div><div><div>Installation Steps</div><div></div><div>When determining the ideal camera placement, adjust its height as needed within the maximum 9 ft range from the adapter. Conceal the cable management box for convenient access and use the compact Type-C side for tidy cable organization, ensuring an organized setup.</div></div></div>	<div><div>JARNEX</div><div><div>Locate a nearby outlet close to your camera's position, peel off the plastic cover from the adhesive tape, and affix it to a solid surface like a wall for efficient cable management.</div><div></div></div><div><div>Position the camera's base on your preferred spot on the wall or ceiling, then mark the screw hole positions on the wall using the mounting holes in the camera's base. Keep in mind the cable's maximum range of 9 ft.</div><div></div></div><div><div>Drill into the marked spots, insert the plastic anchors into the holes, and then secure the screws into the anchors to mount the wall mount securely.</div><div></div></div></div>	<div><div>JARNEX</div><div><div>Rotate the camera to align it with the mounting plate, then secure the camera onto the wall or ceiling. Connect the camera using the shrinkable cable and begin using your smart camera.</div><div></div></div><div><div>Reminders</div><div>Avoid installing the camera in areas where the privacy of others may be compromised. Use only the provided power adapter to avoid damage to the camera or risk of electrical shock. Do not install the camera in outdoor locations, as exposure to outdoor elements may lead to damage and reduced functionality. Visit our website at www.jarnex.com for additional information and resources.</div></div><div><div>FCC Statement</div><div>Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</div></div></div>	<div><div>JARNEX</div><div>Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</div><div><div>RF Exposure Statement</div><div>To maintain compliance with FCC's RF Exposure guidelines, this equipment should be installed and operated with minimum distance of 20cm between the radiator and your body. This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter.</div></div></div>
