| <p><b>EUT Housing and Board<br/>View 1</b></p>      |  A photograph showing the disassembled components of an Electronic Under Test (EUT). The components include a black plastic housing with a circular opening, a black cable, and a green printed circuit board (PCB) with various electronic components. The components are laid out on a blue textured surface next to a black ruler with white markings in millimeters and centimeters.             |
| <p><b>Solder<br/>Board-Component View<br/>1</b></p> |  A close-up photograph of a green printed circuit board (PCB) component. The board is laid out on a blue textured surface next to a black ruler with white markings in millimeters and centimeters. The board features various electronic components, including a USB connector, a battery, and several integrated circuits. The text "LITD-BT-068" and "2021/10/12-V1.6" are visible on the board. |
