

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

BATTERY SAFETY: This product is fitted with a Li-Polymer battery. Do not damage, open, drain, short the battery and do not use it in direct sunlight or in corrosive conditions. Only use approved batteries. The warranty is void if the battery is damaged or if the end user exposes them to high temperatures. Do not expose the product to temperatures exceeding 100°C (210°F).

BATTERY DISPOSAL: The crossed-out wheelie-bin symbol means that you may not dispose of this product as unsorted municipal waste. Instead, it should be handed over to a designated collection point for recycling of used batteries and electronic equipment. For more information about local recycling points, contact your local authority, visit www.recycleit.org or call 1-800-RECYCLE. The symbol on the battery indicates the recycling of used items of electrical and electronic equipment prevents any harmful substances they contain from harming human health and protecting the environment.

Please keep this information for later reference.

WARNING: RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS.
