Solder Board-Component View 1	 A photograph of a small, rectangular printed circuit board (PCB) with a black solder mask. The board is populated with various electronic components, including a large central integrated circuit (IC), several smaller surface-mount components, and a green component on the left side. The board is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the board, showing a scale from 1 to 6 mm. Another metal ruler is positioned horizontally below the board, showing a scale from 1 to 12 cm.
Solder Board-Component View 2	 A photograph of the same PCB from a different angle, showing the underside. The board is populated with various electronic components, including a large central IC, several smaller surface-mount components, and a green component on the left side. The board is placed on a blue textured surface. A metal ruler is positioned vertically to the left of the board, showing a scale from 1 to 6 mm. Another metal ruler is positioned horizontally below the board, showing a scale from 1 to 12 cm.
