

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front view of a black, rectangular portable device. The device has a circular logo on its front face, which includes a lightning bolt symbol and the text "WIRELESS CHARGING". The device is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom. The device is approximately 100 mm high and 50 mm wide.
EUT View 2	 A photograph showing the back view of the same black portable device. The back features two horizontal ventilation grilles. Technical specifications are printed on the back, including "EUT 1000mAh Wireless Charger", "Input: 5V/2.1A", "Power Output: 15W/10W/7.5W/5W", "Charging Current: 2A", "Battery Capacity: 1000mAh", and "CE, FCC, RoHS, WEEE, REACH". The device is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom. The device is approximately 100 mm high and 50 mm wide.

EUT View 3	 A black rectangular device is shown from a front-facing perspective. It has a circular button on its top surface. The front face features a circular logo with a lightning bolt and the text "wireless charging". The device is placed on a light blue surface next to a black ruler with white markings.
EUT View 4	 A black L-shaped device is shown from a side perspective. The top arm has a circular button. The base has a square logo. The device is placed on a light blue surface next to a black ruler with white markings.

EUT View 5	 A black electronic device, possibly a handheld meter, is shown against a blue background. The device has a circular top section and a square base with a small square cutout. A ruler is placed horizontally below the device, showing measurements in centimeters. The ruler is marked from 0 to 100 cm, with the device's width being approximately 10 cm.
	 A close-up view of the bottom of the device. It shows a circular hole on the left and a rectangular port on the right. The port has a small label that reads "WALTEK". The device is black and has a textured surface.
