Re: Confidentiality Request for PacSana Edge1, Requested FCC ID 2A693-EDGE1

To Whom It May Concern,

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47.

We request that the schematics, block diagram and Operational Description of PacSana Edge1, required to be submitted with this application, be permanently withheld from public review since it includes proprietary information that could be used by competitors to gain unfair advantage in the market.

Best regards,
