FOR BLUETOOTH KEY:

FCC ID: 2A6QO-XP-680

CE ID: 25EP03136E01

UKCA ID :

FCC warning:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

CE STATEMENT: This product complies with the requirements of the EU RED Directive 2014/53/EU. Operating frequency range: 2402-2480MHz, Maximum RF power: -3.53dBm

UKCA STATEMENT: This product complies with the UK Radio Equipment Regulations SI 2017 No. 1206. Interference with other equipment should be avoided during use.

Bluetooth Key Usage Instructions :

1. Plug the Bluetooth key receiver into your computer's USB port.

Bluetooth Key Indicator Light Guide

Not connected: Blue light blinking.

Connected: Blue light steady on.

2. Double-press the Paper Feed button; two beeps will indicate successful Bluetooth key-printer pairing.
