Re: Certification for Vitesco Technologies GmbH
FCC ID: 2A6TCBEV3NFC
IC: 28616-BEV3NFC

REQUEST FOR CONFIDENTIALITY

Pursuant to USA FCC 47 CFR 0.457(d) and 0.459 and Canada IC RSP-100, Section 10, Vitesco Technologies GmbH requests that a part of the subject application be held confidential. Vitesco Technologies GmbH has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

<u>Exhibit</u>	<u>Conf. Type</u>	<u>Rational</u>
Exh 04 - Block Diagram	Permanent	Includes proprietary internal oscillator frequency information.
Exh 05 - Schematics	Permanent	Includes proprietary design information
Exh 09 - Internal Photos	Permanent	KDB 726920 II3a1: Perm. Epoxy filled, not user accessible.
Exh 10 - BOM + Placement	Permanent	Includes proprietary design information

Long Term Confidentiality (Permanent): Vitesco Technologies GmbH requests that any exhibits listed above as permanently confidential be permanently withheld from public review. Wherein Long Term Confidentiality is not an option for specific exhibits with ISED, this request applies only to the FCC application for those exhibits.

Short-Term Confidentiality (FCC Only): Vitesco Technologies GmbH requests that any exhibits selected above as short term confidential be withheld from public view for a period of days (noted above) from the date of the Grant of Equipment Authorization and prior to marketing.

If there are any questions regarding the application or testing performed, please contact us at the above address or call (734) 252-9785, or e-mail info@wrtest.com.

Sincerely,

Joseph D. Brunett
