

SH82

Sports Headband Headphone

User Manual

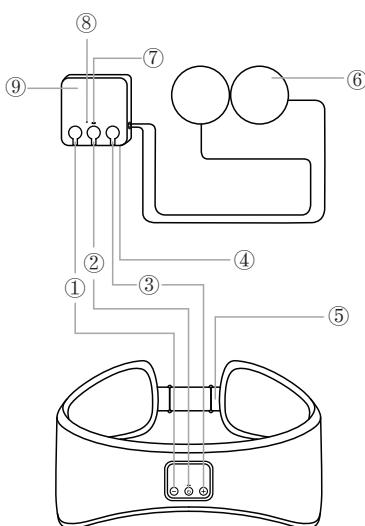

I . Product Overview

This is a sports headband headphone that can free your hands. With two built-in ultra-thin speakers, it allows you to fully enjoy music and calls while exercising. The headband design ensures that you are not disturbed by messy hair and sweat during exercise, making it the ideal choice for sports.

II . Packing List

Headphone*1
Charging cable*1
User manual*1

III. Product Description

- ① Volume Down Button
- ② Power Button
- ③ Volume Up Button
- ④ Type-C Charging Port
- ⑤ Adjustable Elastic Strap

V . Wearing Instruction

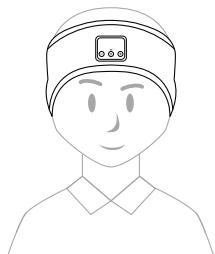

Step 1: Gently pull open the headphone. The controller should be located in front of the forehead when the headphone is worn.

Step 2: There are letters L and R on the inside of the headphone, which indicate the position of the speakers and correspond to the left and right ears respectively when worn. (NOTE: The length of the elastic strap can be adjusted according to needs.)

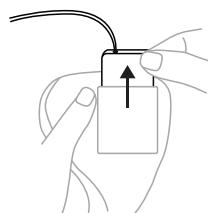

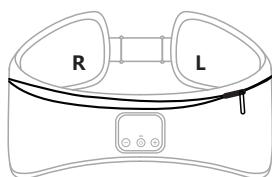

*Correct Wearing Diagram

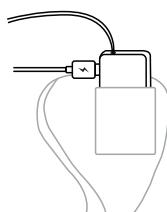

VI. Charge the Headphone

When the headphone emits the voice prompt of "battery low", it indicates that the headphone is in low battery state. Please charge the headphone immediately.

Step 1: Open the zipper on the headband. Then open the internal storage bag and the controller will be seen.

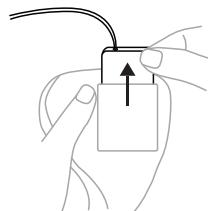

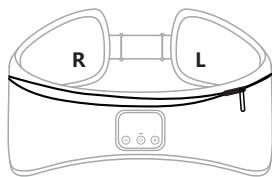

Step 2: Find the charging port of the controller, charge it with Type-C charging cable. When charging, the indicator light is red. When fully charged, the indicator light turns blue.

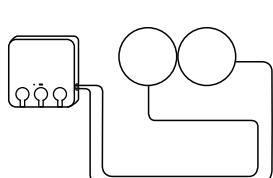

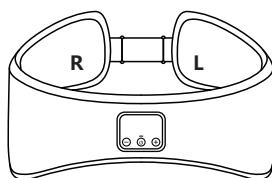

VII. Disassembly and Installation Instructions

1. Disassembly Instruction

Step 1: Open the zipper on the headband. Then open the internal storage bag and take out the controller.

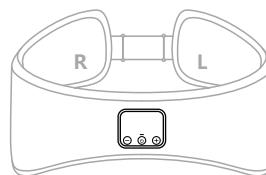

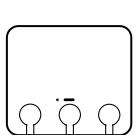

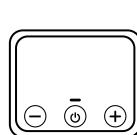

Step 2: Find the letters L and R and take out the speakers on both sides. NOTE: Do not disassemble with violence, otherwise it may cause damage to the headphone.

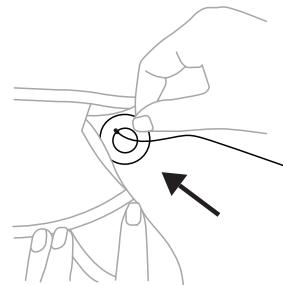

2. Installation Instruction

Step 1: Open the internal storage bag and place the controller into the storage bag. (NOTE: The controller buttons must correspond to the position of the buttons on the headband.)

Step 2: Install the speakers into the corresponding positions on the left and right sides respectively, zip up and the installation is complete.

NOTE: When installing the speakers, The speakers must face the inside of the headband, otherwise the sound may not be heard.

VIII. Product Specifications

IX. Safety Notes

1. The headband is washable. Please wash with warm water and do not rub hard when washing.
2. After washing, please place the headband in a ventilated area and let it dry before use.
3. When disassembling for washing, please do not disassemble with violence, otherwise it may cause damage to the headphone.

FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- - Reorient or relocate the receiving antenna.
- - Increase the separation between the equipment and receiver.
- - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- - Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

IC warning:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- 1) this device may not cause interference and
- 2) this device must accept any interference, including interference that may cause undesired operation of the device.

Radiation Exposure: This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment; To maintain compliance with IC's RF Exposure guidelines, This device and its antenna(s) must not be co-located or operation in conjunction with any other antenna or transmitter.

Déclaration de l'ISED Canada :

Cet appareil contient des tasmitte (s) / récepteur (s) sans licence / conformes à l'innovationRSS exempts de licence de Sciences et Développement économique Canada. L'opération est sous réserve des deux conditions suivantes :

- 1) cet appareil ne peut pas causer d'interférences et
- 2) ce dispositif doit accepter toute interférence, y compris peut provoquer le fonctionnement indésirable de l'appareil.

Exposition aux rayonnements : Cet équipement est conforme aux limites d'exposition pour un environnement incontrôlé noncé d'exposition RF Pour maintenir le respect des guides d'exposition RF d'IC, Cet appareil et ses antennes ne doivent pas être co-localisé ou en opération en conjonction avec toute autre antenne ou émetteur.

Happy?

Thank you for choosing our products! We sincerely hope it will be your new-found happiness.

If you are fully satisfied with your using experience, could you please kindly share to your friends?

We also engage with our fans to learn how we can do better by offering free pre-release products. If you are interested, do not hesitate to follow us on
