FCC ID: 2A6ZN-EDGEMINI

Label Location:

A photograph showing the back of a white and red 3D printer. The printer is placed on a blue surface. A long ruler is positioned horizontally in front of the printer. A red arrow points from the top left towards the back of the printer, specifically to a small black label with white text and a barcode, which is the FCC label. The label is located near a circular fan and a power button on the back of the device.
